

Yo!

The collection of my articles 2015 is no longer available at this address.

In fact, the thing is that giving this collection of articles created duplicate content and Google does not like it. So, not to be penalized in the search engine, I put it on the shop.

You can access it for the symbolic price of €1.

Click to access [the collection of articles 2015](#) !

I'm counting on your understanding...

Fabrice Julien,
